THE WORLD'S BEST GREETING. IT ALWAYS WORKS!
YOU WILL HEAR MORE ABOUT PARUM AND MAGNA'S ADVENTURES IN THE FAMILY SCOUT STORY.

A REAL ADVENTURE!

With the Scouts, you will experience adventures in the great outdoors, discover new ways of solving problems or just have fun together while exploring the world.

The Scouts provide children and young people from all parts of society with the chance to experience adventures together and to grow as individuals.

We are one of Sweden's largest children's and youth organisations.

The Scouts can be found all over the world – there are over 65 million of us in total!

You can be a scout your entire life. After the Family Scouts you are welcome to join the Trackers (8-9 years), the Discoverers (10-11 years), the Adventurers (12-14 years), the Challengers (15-18 years) and the Rovers (19-25 years). As an adult, you can get involved in several ways, for example as a leader or steward.
