

Late Registration in International Groups

Terms for late registration:

- There is no additional fee for late registrations; the fees are the same as for the regular registration period.
- Late registration is only available for individuals belonging to groups/troops that are already registered. New groups cannot register.
- Late registration remains open as long as there is space available on the campsite, but no later than **30 April**.
- A limited number of places are available for late registration. Once the maximum capacity is reached, late registration will close. Places are allocated on a first-come, first-served basis.
- The same conditions for cancellation apply as before. Refunds for cancellations are only issued upon presentation of a medical certificate. Read more in the [registration terms and conditions](#).
- You may change a participant to another person within the same category (leader for leader, participant for participant, etc.) free of charge until the camp begins. To make a change, cancel the person who will no longer attend and submit a new registration for the replacement.
- For changes after late registration has closed, please contact jamboree@scouterna.se.
